

Our Springwell Values

The Springwell Way is how we expect our children and staff to behave and conduct themselves, based on our school values. Our six values embody everything that is special about Springwell.

Our values:

Kindness – We aim to be kind and caring and considerate.

Courage – We aim to be brave and express our feelings and celebrate our mistakes.

Appreciation – We aim to appreciate our strengths and school community.

Resilience – We aim to become independent learners and always try our best.

Aspiration – We aim to set ourselves goals and follow them aspiring

Pride – We aim to take pride in ourselves, our achievements, and our work.

The importance of good attendance and punctuality

Children have a right to a good education to help them fulfil their potential and to develop the skills required to access the world of work and other opportunities.

Good attendance is important because:

*Statistics show a direct link between under-achievement and poor attendance

*Children who attend regularly make better progress, both socially and academically

*Children who attend regularly find school routines and school work easier to cope with

*Children who attend regularly find learning more satisfying

*Children who attend regularly settle into High School more easily
