FAO: Y4 Parents

Dear parents/carers,

As you are aware, since COVID we have been using the Family well-being grounds to release our Y4 children at the end of the day.

Unfortunately, we are no longer able to use that exit.

Therefore, after the Easter break, Y4 children will exit from the late door at 3.15pm. (This is the first door on to the playground, facing the bike storage)

We apologise for any inconvenience this may cause.

Thank you for all your support.

Kind regards,

Tracy Webley

Headteacher
