

In my Liverpool Home

In my Liverpool Home

In my Liverpool Home

We speak with an accent exceedingly rare

Meet under a statue exceedingly bare

If you want a cathedral we've got one to spare

In my Liverpool Home

Down By The Docks

Down by the docks, that's the place to be

Down by the docks, gateway to the sea

Down by the dockside, we are the team

Working together, just like family

Down by the docks, you're never on your own

Down by the docks, it's really home from home

Down by the dockside, down by the dockside

Down by the dockside, is where we want to be

Ferry Cross The Mersey

Life goes on day after day
Hearts torn in every way
So, ferry cross the Mersey
'Cause this land's the place I love
And here I'll stay
People they rush everywhere
Each with their own secret care
So, ferry cross the Mersey
And always take me there
The place I love
People around every corner
They seem to smile and say
We don't care what your name is, boy
We'll never turn you away
So I'll continue to say
Here I always will stay
So ferry, cross the Mersey
'Cause this land's the place I love
And here I'll stay
And here I'll stay
Here I'll stay
