- 03.02.26 - Y5 trip to World Museum
- 13.02.26 - INSET DAY
- 23.02.26 - Back to school after half term

Braille Day

On Monday, we had an assembly all about braille - this was to mark the national Braille Day. We learned all about what braille is and all about the very inspirational man behind the invention, Louis Braille. Please ask your child all about it.

DT Workshops

Our Y5 children enjoyed partaking in Design and Technology workshops this week on Tuesday and Wednesday. The cost of this was covered by the school. The workshop helped enhance the children's knowledge and understanding of their topic. Please do ask your child all about it.

Christianity Speaker

On Thursday, Y6 were lucky enough to have an RE visitor come into school to deliver a workshop all about Christianity - this was to consolidate their knowledge from the RE curriculum. Please do ask your child all about it.

Bikeability

This week, our Y5 children continued with their Bikeability - an educational scheme all about teaching our children how to be safe on their bikes. Please do ask your child all about it.

Upcoming - Coniston

Just a reminder that next week our Y6 children go on their Y6 residential to Coniston. They are very excited.

Year of Reading

The DfE recently announced that this year is the Year of Reading.

To celebrate the Year of Reading, we have many exciting events planned for throughout the year - this includes taking part in Storytelling Week in February - more information to follow.

To encourage and celebrate regular home reading, we are excited to introduce a new incentive for the Spring and Summer terms, which will run alongside our 'Springwell Reads' initiative. Children who read at home five times in a week will be entered into a weekly raffle.

Each week:

- One EYFS/KS1 winner and one KS2 winner will be chosen.
- Each child will win a Kingsley and Co Golden Ticket, which can be exchanged for a brand-new book at their shop in Bootle Strand.

This Week's Winners:

This weeks Reading Golden Ticket winners:
Violet in RH
Patrycja in 5C

Best class: 1S

Total number of children who read five times at home this week : 113

Who will win next week? What class will be top?
Can we beat our overall total?

Team Around the School Drop In

Friday 30th January 9.00am

Parent's Room

Come along and get advice from our TAS workers on Housing, Finances, SEN, Supporting your Child With Anxiety and many other issues.
