## Rule of Law

This week, our whole school assembly was all about the Fundamental British Value, Rule of Law. We discussed what a Fundamental British Value is and what Rule of Law is. We learned all about the importance of following rules and laws and how they help us be the best versions of ourselves as possible.

## Coniston

It was an exciting week for our Y6 children - they went on their residential to Coniston. 6L went at the beginning of the week and 6B at the end of the week.

This is always such an incredible week and is a staple part of the Springwell journey. The children take part in wonderful activities such as canoeing, kayaking, scrambling, high-tree climbing, amongst many others.

The children learn so many skills during this trip - not just during the wonderful, adrenaline filled activities, but during the smaller activities such as making and stripping their beds and doing their own dishes.

This trip would not be possible without the incredible staff who volunteer to take the children away. They are with the children 24/7 and work very hard. A huge thank you to them - we are very grateful for them giving their time in order to create memories for the children.

## Year of Reading

The DfE recently announced that this year is the Year of Reading.

To celebrate the Year of Reading, we have many exciting events planned for throughout the year - this includes taking part in Storytelling Week in February - more information to follow.

To encourage and celebrate regular home reading, we are excited to introduce a new incentive for the Spring and Summer terms, which will run alongside our 'Springwell Reads' initiative. Children who read at home five times in a week will be entered into a weekly raffle.

Each week:

- One EYFS/KS1 winner and one KS2 winner will be chosen.
- Each child will win a Kingsley and Co Golden Ticket, which can be exchanged for a brand-new book at their shop in Bootle Strand.

## This Week's Winners:

This weeks Reading Golden Ticket winners:

Zumra 1S

Lilly 3K

Best class: 6B

Total number of children who read five times at home this week : 163 (much higher than last week).

Who will win next week? What class will be top?  
Can we beat our overall total?
