

Springwell Park News

30th January, 2026

Diary Dates

- 02.02.26 - Online Safety Day
- W/B 02.02.26 - Storytelling Week
- 03.02.26 - Y5 trip to World Museum
- 13.02.26 - INSET DAY
- 23.02.26 - Back to school after half term

Road Safety

This week, our whole school assembly was on road safety and was delivered by Mrs Sefton. This is a very important assembly. It teaches the children all about the importance of being safe on the road.

Please do be mindful of where you park during drop off and pick-up time as Menai Road gets very busy and it can be a significant risk to our children.

Class Photos

On Thursday, we had our whole school class photographs. Your child will have brought home a slip with further instructions on, should you wish to purchase it.

Year of Reading

The DfE recently announced that this year is the Year of Reading. To encourage and celebrate regular home reading, we are excited to introduce a new incentive for the Spring and Summer terms, which will run alongside our 'Springwell Reads' initiative. Children who read at home five times in a week will be entered into a weekly raffle.

This Week's Winners:

This week's golden ticket winners were Dolly Richman 5C and Harry Byers 1S.

The best class were 5C with 17 readers and in total we had 149 pupils in the hat for the tickets

Who will win next week? What class will be top? Can we beat our overall total?

Upcoming: Y6 Educational Workshop

On Tuesday 3rd, our Y6 children will be having a special visitor in school to support their historical learning. The cost of this is covered by school.

Upcoming: Y5 Educational Visit

On Tuesday 3rd, our Y5 children will be going on an educational visit to the World Museum to support their Ancient Egyptian history topic. The cost of this is covered by the school.

Children's University

Children's University is a charity that works in partnership with schools to develop a love of learning in children. They do this by encouraging and celebrating participation in extra-curricular activities in and outside of school. The impact of these activities is proven to be positive which is why we're committed to creating a level playing field of opportunity and opening up access to children of all backgrounds.

The Children's University passports are used to record learning a child does outside of the school environment, such as dance studios, gymnastics clubs, museum visits, swimming lessons etc. However the organisation visited must be a recognised Children's University Learning Destination for the learning to be recognised officially.

Credits are automatically recorded when a child attends an after school club based in school. Please see Mr Humpthrey for further information.

Upcoming: 20 Year Anniversary

Springwell Park's 20 year anniversary is quickly approaching. We are keen to mark this occasion, as I am sure you are too. We will be sharing our exciting plans very soon - watch this space!
