### **FAO: Parents of children in the two year room**

Dear Parents and Carers,

It is with great sadness that we are writing to inform you that the two-year room in our nursery will be closing on Friday 17<sup>th</sup> July.

This has been an incredibly difficult decision. The school budget has always subsidised our two-year provision, but with increasing pressures on the school budget, we can no longer afford to do that.

We understand that this news may cause concern or inconvenience for your family. Please be assured that the wellbeing and smooth transition of the children in our care is our absolute priority.

If your child turns three before the 17<sup>th</sup> July they will move to the school nursery and the closure will not affect them.

If your child is **not** three by the 17<sup>th</sup> July we will be unable to offer them a place in September.

If you would like to discuss your child's transition or have any questions, please do not hesitate to contact school.

We would like to take this opportunity to sincerely thank you for your trust, support and partnership. It has been a privilege to care for and support your children's early learning and development.

With sincere thanks,

Springwell Park Governors
