Diary Dates

- 12.03.26 - Parents Evening
- 13.03.26 - Reception Special Person Tea

World Book Day

It was a very exciting day on Thursday as we celebrated World Book Day. Our children were invited to come into school dressed as their favourite book character or in their PJs. Everybody (children and staff) looked superb.

We enjoyed a whole school assembly led by Mrs Boyham all about the importance of reading and the wonderful activities we had planned.

The children enjoyed many fun activities:

- 'Setting description' illustrations
- Pobble Online Workshop
- Book-character potatoe decorating with a whole school potatoe parade.
- A BBC Live Online lesson
- A 'Teacher Swap' reading event - where teachers read to different classes.

Throughout the day, reading remained a priority. There was plenty of book-talk around the school from both children and staff.

Thank you for all of your support and engagement.

Mad Science Workshop

This week, reception were lucky enough to have Mad Science visit school to complete an educational workshop all about worms! The children were able to be inquisitive and explore - they absolutely loved it. This helped consolidate the children's learning.

The cost of this was covered by the school. Please do ask your child all about it and let them share everything that they learned and experienced.

Forest School

This week, our Y5 children were lucky enough to continue with Forest School. They have thoroughly been enjoying this. Forest School continues for Y5 next week.

Upcoming: DT Workshop

Next week, on Tuesday Monday 9th and Tuesday 10th, our Y4 cohort will be taking part in an educational Design and Technology Workshop. The cost of this is covered by the school.

Upcoming: Parents Evening

A reminder that Parents Evening is on Thursday 12th March. As stated in the letter and previous newsletter, school will close at 2.30pm on this day to allow for a 2.45pm Parents Evening start.

Once you have returned your slip, your child's Class Teacher will endeavour to give you your requested time (or as close as possible). Children with an EHCP will have a separate appointment.

Upcoming: Reception Afternoon Tea

On Friday 13th, our reception cohort will be hosting a Special Person Afternoon Tea to coincide with upcoming Mothers' Day. This is the chance for parents and carers to be celebrated by their young person within their child's setting. This will be a 2.20 start in our school hall. Please report to the front desk.

Donations Welcomed

Our wonderful PTA will be hosting an Easter Egg Hamper raffle over the coming weeks. The money raised from this goes directly back to the children with the aim being to enhance their education and enrichment opportunities. This money goes towards the school trips that we provide at no cost to families, as well as educational workshops, free breakfast club, and so much more. We would be very grateful of donations of chocolate, Easter eggs, or sweets.
