

Springwell Park News

13th March, 2026

Diary Dates

- 16.03.26 - PSHE Keeping Safe Day
- 17.03.26 - Y2 Trip to the Walker Art Gallery
- 26.03.26 - World Maths Day
- 27.03.36 - Finish for Easter

International Women's Day

International Women's Day was on Sunday 8th March. To mark the occasion, we had a whole school assembly on Monday all about the national event. As part of the assembly, we explored the history behind the occasion, the importance of having it, and we looked at some inspirational people from past and present. Please do ask your child all about it.

Y4 Design and Technology Workshop

On Monday and Tuesday, our Y4 cohort were lucky enough to take part in a Design and Technology educational workshop. A specialist teacher visited school to deliver these workshops, the cost of which was covered by the school. Please do ask your child all about it.

Y5 Forest School

On Tuesday, our Y5 children continued with their Forest School sessions. They have thoroughly enjoyed these sessions - the cost of these are covered by the school.

Parents Evening

On Thursday, we held our Spring Parents Evening. This was a chance for parents and carers to receive an update from their child's class teacher, celebrate their achievements, discuss next steps, and explore how their child is progressing within their year group.

Thank you to all of the parents and carers who were able to attend - we hope you found it useful.

Just a reminder that children with an EHCP will have a separate appointment.

Special Person Afternoon Tea

On Friday, our reception parents and carers were invited into school to attend a 'Special Person Afternoon Tea'. This was a lovely event and was very well attended - thank you to all of those who were able to come.

Upcoming: PSHE Keeping Safe

On Monday 16th, we will be having our PSHE Keeping Safe day. This is an important day where our children learn all about keeping themselves safe.

Upcoming: Y2 Educational Visit

On 17th March, our Y2 children are lucky enough to be visiting the Walker Art Gallery to help support and consolidate their art knowledge. The cost of this is covered by the school.

Upcoming: Easter Bonnet Parade

The children are invited to make their own Easter bonnet at home and bring it into school on the 24th April for a parade. The children thoroughly enjoyed this last year and will very much be looking forward to doing it again!

Upcoming: World Maths Day

26th March is World Maths Day. Maths is very important to us at Springwell Park, therefore we are looking forward to celebrating it. More information about the day, including what we have planned, will be revealed soon.

Donations Welcomed

Our wonderful PTA will be hosting an Easter Egg Hamper raffle over the coming weeks. The money raised from this goes directly back to the children with the aim being to enhance their education and enrichment opportunities.

We would be very grateful of donations of chocolate, Easter eggs, or sweets.
