Dear Parents and Carers,

We are always looking for ways to enrich the children's learning experiences in Nursery through our continuous provision. These play-based opportunities are essential in supporting creativity, exploration, and early development.

Budgets across England for schools are significantly stretched, making it hard for us to always resource things like this as a school.

We would greatly appreciate any donations of resources you may have at home. In particular, we are looking for:

- Loose parts (e.g. bottle tops, shells, pebbles, corks)
- Puppets
- Paint brushes and art materials
- Old wall paper rolls
- Spray bottles
- Any safe, clean, and interesting objects suitable for young children's play

All donations will be used to enhance the children's daily learning and exploration. Please speak to staff if you want to ask what specific resources they may require to enhance learning.

Thank you for your continued support.

Kind regards,
Mrs Sefton

EYFS Lead
