St George's Day Assembly

On Monday, we started our week with an Inspirational People assembly. The focus of this assembly was William Shakespeare. We learned all about him, his history, and why he is significant.

Y2 Class Assembly

On Wednesday, our Y2 children performed their class assembly to their parents and carers in our school hall. The assembly was all about their history topic, Florence Nightingale. It was a brilliant assembly and explored Florene's life, legacy, and the impact she had on modern medicine. It was full of facts and songs. Well done to Y2 and a huge thank you to the Y2 staff.

Sharon's Retirement

After many years of dedicated service, we will be saying goodbye to Sharon at the end of this academic year as she retires.

Sharon has been part of Springwell since day one, and her impact on our school community cannot be overstated. As a valued member of our pastoral team, she has supported countless children and families with care, compassion and unwavering commitment. She truly embodies what it means to be part of Springwell - putting children first, building strong relationships, and always going above and beyond.

Sharon is hugely loved by staff, children and families alike, and she will be deeply missed by us all. While we are incredibly sad to see her go, we are also so grateful for everything she has given to Springwell over the years.

We wish her a long, happy and well-deserved retirement

SATs

Year 6 SATs Week begins on Monday 11th May. We are incredibly proud of how hard our pupils have worked and will be focusing on keeping them calm, confident and well-supported throughout the week

Parent Governor

We currently have a vacancy for a Parent Governor and are inviting parents and carers to consider putting themselves forward for this important role.

Being a Parent Governor is a great opportunity to have a real say in the strategic direction of the school. Governors work alongside the Headteacher and senior leaders to ensure the school provides the best possible education for all pupils.

What does the role involve?

- Supporting and challenging school leaders to maintain high standards
- Helping to set the school's vision and priorities
- Monitoring progress, outcomes, and the use of resources
- Ensuring the school is a safe, inclusive, and effective place for all children

If you are interested or would like to find out more, please contact the school office. We would be happy to talk you through the role before you decide to apply.

PTA Vacancy

Our wonderful PTA are looking for more volunteers. The PTA are an incredible group of people who support our school by organising events to raise vital funds, such as the Christmas and Summer Fayre. If you are interested, please contact Gail.
