Dear parent/carer,

As a school, we use Read Write Inc for the teaching and delivery of our phonics. Phonics is a way of teaching children how to recognise sounds, and ultimately, how to read. Your children receive a phonics session every single day in school, and where appropriate, additional intervention and support.

I am writing to you today to invite you to purchase your very own set of Read Write Inc flash cards. We use these flash cards in school to help develop and consolidate your child’s knowledge of the sounds. Using these cards at home will greatly maximise your child’s phonetic knowledge and increase their chances of passing the summer phonics check. I cannot stress enough how useful these cards are.

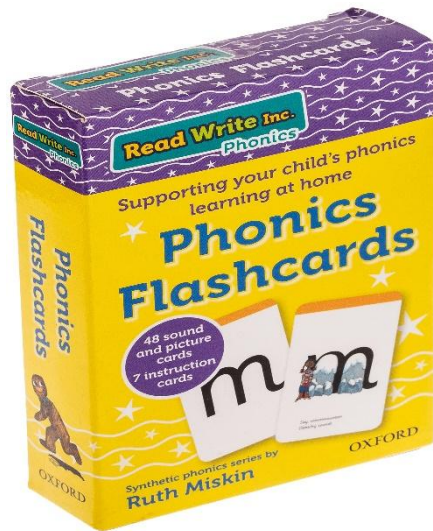

On Amazon, these cards retail for just under £6. **Springwell Park will subsidise these cards for you, meaning that you can purchase a set through us for £3**

If you would like to purchase a pack of the cards, please ask at reception.

Kind regards,

Mrs Smith, Mrs Molyneux
and Mrs Roche.
