Dear Parents and Carers,

Consultation on Relationships, Sex and Health Education (RSHE) Policy

At Springwell Park Primary School, we believe that RSHE plays an important role in helping children to:

- Build positive and healthy relationships.
- Understand how to stay safe, both offline and online.
- Develop respect for themselves and others.
- Understand physical and emotional health and wellbeing.
- Know where to seek help if they have worries or concerns.

We are currently reviewing our policy and curriculum to ensure it continues to meet the needs of our pupils and complies with the latest statutory requirements.

We would welcome your views as part of this process. Please read the RSHE policy and curriculum on the website
