

Dear Parents and Carers,

We are looking for parents and carers to join our school Parent Teacher Association (PTA) and would love to welcome some new members this year.

Why join our PTA?

School budgets are increasingly stretched, which means the money raised by our PTA is more important than ever. PTA fundraising enables us to provide additional opportunities, resources and experiences for our children that would otherwise be difficult for the school to fund.

Being part of the PTA is a great opportunity to:

Make a difference to our children – help raise funds for additional resources, activities and experiences.

Have your say – share ideas and help us decide which events and fundraising activities we organise.

Meet other parents and carers – get to know other families from across the school.

Share your skills and ideas – whether you are creative, organised, good at fundraising or simply willing to lend a hand, everyone has something to contribute.

We know how busy life can be, and joining the PTA doesn't mean you have to attend every meeting or help at every event.

You can be involved as much or as little as you are able. Even helping at one event, sharing an idea, contacting a local business or giving us an hour of your time can make a real difference.

If you would like to find out more or are interested in joining, please click the link below to complete our short form and we will be in touch.

Thank you, as always, for supporting our school and helping us to provide the very best opportunities for our children.

Kind regards,

Tracy Webley
Headteacher
