Dear Parents/Carers,

As a school, we use **Read Write Inc. Phonics** to teach your children the sounds they need to become confident readers. Phonics is an important part of your child's daily learning, with them taking part in daily phonics sessions in school.

We would like to give you the opportunity to purchase your own set of **Read Write Inc. Set 1 Phonics Flashcards** to use at home.

These are the same cards that we use in school to help children practise, develop and consolidate their knowledge of sounds. Spending just a few minutes regularly practising the cards at home can make a real difference to your child's confidence and progress in phonics, as well as supporting them in preparation for the **Year 1 Phonics Screening Check**.

We recommend using these cards at home alongside the phonics work we are doing in school. They are a simple and effective way to help your child practise their sounds little and often.

The cards retail for **£6.99 on Amazon**, but we will be **subsidising the cost**, meaning that you can purchase a set through school for just **£5.00**.

If you would like to purchase a set, please log on to your **Arbor App** and select:

'Set 1 Phonics Cards – £5.00'

Once purchased, the cards will be sent home with your child.

Phonics Parents' Meeting

We would also like to invite you to an **Introduction to Phonics Parents' Meeting** on:

Monday 9th November at 2.40pm

The meeting will give you an insight into how we teach phonics in school and, importantly, give you some ideas and guidance about how you can support your child's phonics and reading at home.

I hope you will be able to join us and look forward to seeing you there!

Kind regards,

Mrs Law
Phonics Lead
