Dear Parents and Carers,

Re: Free School Meal Vouchers During School Holidays

We would like to inform parents and carers that Sefton Council will no longer be providing free school meal vouchers during the school holidays.

We appreciate that these vouchers have provided valuable support to many of our families, particularly during the school holidays when household costs can increase. We understand that this news may be disappointing and may place additional financial pressure on some families.

Please be assured that we remain committed to supporting our school community. If you are experiencing financial difficulties or are concerned about accessing food during the holidays, please contact our pastoral team in confidence. We will do our best to signpost you to any available support or local services.

Kind regards,

Tracy Webley
