Parents Coffee Morning

We are delighted to welcome Liverpool Speech Therapy into school on Monday 19th October at 9am for a special session for parents and carers.

The session will provide practical hints, tips and simple activities to help support your child's speech, language and communication development at home. There will also be an opportunity to ask questions, seek advice and find out how you can help your child develop their confidence in speaking, listening and communicating.

All parents and carers are welcome, whether you have concerns about your child's speech and language or would simply like some ideas to support their development.

To book your place, please scan the QR code in our online SEND newsletter.
