Better Lunchtimes

On Monday, we started our new approach to lunchtimes. The children have been outstanding at adapting to this change. A huge well done to them all. Please ask your child all about the changes.

Democracy

On Tuesday, our children enjoyed a whole school assembly all about democracy, led by Mrs Ellis. The assembly focused on what being democratic means and explained the upcoming vote for school council representatives. Please do speak to your child all about it. They will be voting for their class representative next week.

Early Reading Parental Meeting

Thank you to the reception and year 1 parents and carers who were able to make it to the phonics/early reading workshop on Monday. If you weren't able to make it, please do find the information on your child's class website page.

Upcoming - Team Around the School

On Thursday, we have our Team Around the School Drop in from 8.45 onwards. Please do come along for a coffee, biscuit and chat!

Upcoming - Y3 Mental Health Workshop

On Tuesday, our Education Mental Health Worker, Lucy, will be coming in to work with our year 3 cohort. They will be exploring what mental health is and how we can develop strategies to help.

Upcoming Year 5 WW1 History Day

On Friday, our year 5 cohort will be partaking in an educational workshop all about World War One - this links to their current history topic. This is a chance for the children to learn new knowledge, as well as consolidate what they have already been taught.

Secondary School Reminder

Gentle reminder that closing dates for applications to start secondary school in September 2025 is 31st October, 2024.

Punctuality

Please do ensure your child is in school on time. If your child is late, they will miss their phonics and spelling sessions. These are essential in order to help develop your child's reading skills.

The gates open at 8.40 and close at 8.55. Thank you for your support and understanding.
