Meet the Teacher

We hope you found the Meet the Teacher session on Thursday useful. Thank you to all of those who attended. If you couldn't make it, please do find all of the resources and PowerPoint on your class website page of the Springwell Park website.

Lunchtime Arrangements

On Monday, our children enjoyed a whole school assembly all about our new lunchtime arrangements. These changes will be effective from this coming Monday, 16th. Parents and carers have received a letter all about this.

LFC STEM Visit

On Tuesday, 15 of our Y6 pupils enjoyed visiting LFC for a STEM event - Science, Technology, Engineering, and Mathematics. It was a fantastic event and the children were a credit to our school.

Attendance

On Thursday, we enjoyed a whole school assembly all about the importance of attendance at school. Children being off school has a significant impact on their attainment, progress, and social groups.

Breakfast Club Reminder

Just a reminder that children cannot be admitted to Breakfast Club after 8.20am. After this time, the children should be brought round to the playground entrance and the parent/carers should wait with them.

Upcoming - Phonics Workshop

Reception and Year 1 parents and carers are invited into school on 19th September for a phonics/early reading workshop. It will be at 2.30 and will be within your child's classroom. Early Reading is a key part of the curriculum within these year groups. I strongly urge that you try to attend.

Upcoming - School Council

On Monday 23rd September, the children will have the chance to put themselves forward to be a school council class representative.

They should prepare a short speech which they can read to their class if they would like to be considered.

The children will then have the opportunity to vote during our very own Ballot Day.

Forest School

At Springwell Park, every year group does Forest School throughout the year. EYFS is ongoing, with years 1 to 6 having five sessions throughout the year.

On Monday, our Forest Club sessions for this year start on Tuesday 17th with year 3. On Forest School days, the children come in wearing their own clothes - clothes they are happy to get muddy!
