Welcome Back

It has been lovely seeing all of the children this week. We hope you all had a lovely summer. The children enjoyed a whole school 'welcome back' assembly, led by Ms Webley.

We hope that your child has settled into their new classroom and is looking forward to the year ahead.

Home Time Arrangements

A letter has been sent home this week regarding home time arrangements. Due to The Wellbeing Centre being fully operational again, we are reducing the amount of children who exit through their carpark. Year 6 now exit through the door they enter of during the morning, and Y4 remain at the Well-being centre exit.

Parents of EYFS children are to enter and exit the EYFS playground via the football cages - this helps with congestion on the years 3 and 5 exit. Thank you.

Communication

Home-school communication is really important to us at Springwell Park. Just a reminder that you can contact the school office on admin@springwellpark.org.uk or via telephone on 0151 288 6054. The Key Stage Leads are available for you to talk to via the methods above - Mr Hanlon for Early Years and Key Stage 1, and Mrs Ellis for Key Stage 2.

Upcoming - Meet the Teacher

You are invited into school on the 12th September at 2.30 to meet your child's new Class Teacher within their classroom. This is a fantastic opportunity for you to get to know the teacher and teaching assistant, and learn all about your child's year ahead. If you can't make it, all information will be on your child's class page on the website.

Upcoming - YR and Y1 Phonics

Reception and Year 1 parents and carers are invited into school on 19th September for a phonics/early reading workshop. It will be at 2.30 and will be within your child's classroom. Early Reading is a key part of the curriculum within these year groups. I strongly urge that you try to attend.

Twitter

Twitter is a fantastic platform to follow in order to see what is going on in our school. Each year group has their own account, with the main Springwell account being @springwellpark_
