

Springwell Park

PE and Sport Premium 2019-20

As a school, Springwell Park Primary School we aim to provide all of our children with the opportunity to take part in a range of sports and compete competitively against each other and other schools in a variety of sports in both KS1 and KS2. Sport is essential to helping children lead a healthy and active life, increase concentration levels within class as well as developing a range of skills in a variety of sports. As a school we activity promote physical activity with the vision that our children will remain active throughout their lives.

PE and sports provision at Springwell Park

Our sports provision is delivered by a sports coach and our class teachers. All lessons are delivered to a very high standard and are overseen by the PE co-ordinator. All children are taught and have access to a Games, Dance, Swimming (year 4) and Gymnastics curriculum in which they are assessed on a regular basis and progression is clear to see throughout the key stages. The children have the opportunity to compete against each other during inter-house competitions. As a school, Springwell Park Primary School have always been committed to PE and Sport and now with the government funding we are able to provide our children with the best possible PE and Sport provision.
