If you are able to, please download the

FREE MATHS APP: '1-minute maths'

This is in line with our maths scheme we use in school 'White Rose' and you will be able to access material for number bonds, which includes visual 'hints' to help the children.

e.g. This pictorial image shows $80 + 20 = 100$

(We use two different colours of counters when showing two numbers being added together)
