30th June - Y5 Crucial crew
2nd July - summer fair
16th July - Y6 Leavers Assembly at 2.15pm
17th July - Reports to parents

Sports' Week

This week was a very exciting week for us at Springwell Park - it was Sports Week. We started the week off with a whole school assembly. We had GB Gymnast Dan Purvis in school for our assembly - he told us all about his inspiring story to success and even demonstrated his incredible gymnast skills! Dan then completed gymnast workshops with some of our Y6 children.

We had wonderful sports activities across the rest of the week too. Each year group had their Sports Day spread out across the week, where they had to compete in an array of activities with all of their parents and carers watching. Thank you to all of the adults who were able to come along.

A huge thank you to Mrs Blundell for her organisation with Sports Day.

Y6 Trip to Eureka

This week, our Y6 children were lucky enough to visit Eureka Science Museum. The purpose of this trip was to consolidate their learning within science. The children were fantastic and a credit to the school. Please do ask your child all about this trip.

The cost of this trip was covered by the school.

Y1 Phonics Check

This week, we had our Y1 Phonics Check. Y2 children who didn't quite pass last year also took part. Well done to all children.

We do not have the pass mark yet, as this has not been released by the Department for Education - we will let you know as soon as we know.

Y4 Multiplication Check

This week, our Y4 children took part in the Y4 Multiplication Check. The children tried really hard and should be proud of themselves. Well done to everyone.

Children's University

On Friday, some of our Y2 and Y6 children graduated from Children's University at Edge Hill. They had their very own graduation ceremony within one of their lecture halls. The children were able to wear cap and gowns and enjoy listening to speeches celebrating their success.

A huge well done to all children and a big thank you to Mr Humphrey for his hard work with it all.

Islam Visitor for Y5

On Tuesday, Y5 were lucky enough to have an Islam specialist come into school. The purpose of this was to consolidate their learning with RE. The children learned fantastic facts and were able to ask thought provoking questions.

Advance notice that our Summer Fair is on the 2nd July. More details to follow.
